

Surviving Your Stupid, Stupid Decision to Go to Grad School

This is a book for dedicated academics who consider spending years masochistically overworked and underappreciated as a laudable goal. They lead the lives of the impoverished, grade the exams of whiny undergrads, and spend lonely nights in the library or laboratory pursuing a transcendent truth that only six or seven people will ever care about. These suffering, unshaven sad sacks are grad students, and their salvation has arrived in this witty look at the low points of grad school. Inside, you'll find: advice on maintaining a veneer of productivity in front of your advisors tips for sleeping upright during boring seminars a description of how to find which departmental events have the best unguarded free food how you can convincingly fudge data and feign progress This hilarious guide to surviving and thriving as the lowliest of life-forms the grad student will elaborate on all of these issues and more. www.facebook.com/stupiddecisionto go grad school
