IN THIS TEEN SPY THRILLER, JOCELYN STEELY IS AMERICAS LAST SHOT TO BEAT THE NORTH KOREANS. When Jocelyn Steely was kidnapped by a North Korean spy agency, she was only a little girl. Young. Scared. Powerless. And completely moldable. Now, ten years later, shes a ruthless assassin. Yet her target isnt who you might think. Jocelyn is determined to escape her kidnappers and take down North Korea and their spy agency forever. But when she makes it to U.S. soil, she finds that not everyone believes her story. Will she be able to get the Americans to trust her? Or will the North Koreans discover her deception before she has a chance?
