

I Shall Not Hate: A Gaza Doctors Journey on the Road to Peace and Human Dignity

By turns inspiring and heartbreaking, hopeful and horrifying, *I Shall Not Hate* is Dr. Izzeldin Abuelaish's account of his extraordinary life. A Harvard-educated Palestinian doctor, he was born and raised in a refugee camp in the Gaza Strip and has devoted his life to medicine and reconciliation between Israelis and Palestinians (New York Times). On January 16, 2009, Abuelaish lost three of his daughters and his niece when Israeli shells hit his home in the Gaza Strip. Instead of seeking revenge or sinking into hatred, he has called for the people of the region to come together so that his daughters will be the last sacrifice on the road to peace between Palestinians and Israelis.
