

Law of Attraction: The Science of Attracting More of What You Want and Less of What You Dont

You may not be aware of it, but a very powerful force is at work in your life. Its called the Law of Attraction and right now it is attracting people, jobs, situations and relationships in your life - not all of them good! If your life feels as if it has turned south and taken on the characteristics of a bad soap opera, its time to pick up this book.
