

Modern Masters, Vol. 5: Jose Luis Garcia-Lopez (Modern Masters (TwoMorrows Publishing))

The latest volume of the Modern Masters series looks at the life and work of one of today's top comic-book artists, Jose Luis Garcia-Lopez. Ask any comic book artist who the best draftsman in the business is, and you'll come up with one answer: Garcia-Lopez. A master of anatomy, composition, and storytelling, he not only astounds his readers, but his peers as well. He is also one of the most visible artists in the industry, as his illustrations can be seen on toy packaging, in DC's Got Milk? advertisements, and even on jars of peanut butter. But it's his work on DC's Big Three (Superman, Batman, and Wonder Woman) that earned Jose Luis Garcia-Lopez the title of Modern Master.
