

No Trespassing: Im Gods Property (Morgan James Faith)

Lets talk about sex. We might as well talk about it, because its everywhere. Our culture continually bombards us with its way for sex in movies, television shows, music, magazines, and other media. But do you know that God has a way for sex, too? In fact, He created sexit was His great idea! In No Trespassing: Im Gods Property, Leah Holder proposes that Gods way is the best way. Leah first explains why we should follow Gods rules for sex. In addition to faith-based reasons, she highlights practical reasons, such as sexually transmitted diseases, unplanned pregnancies, and mental health issues. Then, Leah answers the next big question: How? Is it even possible to follow Gods way for sex when so many people dont? With clarity, transparency, and humor, Leah presents Biblical truths and personal testimonies regarding how we can be sexually pure within this sex-crazy world. No Trespassing contains three brief sections mind, body, and heart. Within them, Leah provides practical tips to guide us on our journeys to sexual purity. If were already on the sexually-pure path, well be encouraged to remain on it. If weve departed from the sexually-pure path, or if weve never been on it, well be reminded of Gods love and forgiveness, and well be directed to the way to purity. Out of her love for God, others, and herself, Leah Holder has committed to live sexually pure. Although she falls far short of perfection, the Lord has enabled her to live in consistent victory over sexual sin. The advice she provides in No Trespassing isnt based on a theory she heard about but on a reality she lives! After reading No Trespassing, Leah hopes you will experience the victory and freedom that she enjoys.
