

MentorShift: A Four-Step Process to Improve Leadership Development, Engagement and Knowledge Transfer

MentorShift speaks directly to businesses and individuals who desire to experience mentoring in action and pass on career and life skills in a lasting way. It answers the questions What is mentoring? and How should it be most effectively accomplished? Key strengths of the book: Addresses the roadblocks that hold individuals back from mentoring Offers solutions to those roadblocks Provides guidance on how to find and be the right kind of mentor Guides its readers through a four-step process that prepares them to become both an effective mentor and mentee This book stands apart from other mentorship books, in that, by the time readers have finished, they are powerfully EQUIPPED through the four-step process to become a strong mentor themselves and able to reproduce that ability in someone else.
