

Protocols: Handbook for the Female Slave

This book is a guide prepared for a slave to enable her to express her love for her Master through her actions. In this case, her actions include ways of standing, sitting and speaking (ways of being) as well as ways of preparing things to please her Master in a consensual Master/slave relationship. The book covers formal Leather protocols as well as a range of personal rituals, such as formal dinner service. As much as anything else, this is a book of etiquette and service within the Leather-BDSM culture.
