

## Transient Art - Nail Art Episode 2 (Calvendo Art)

Nothing is quite so high up on the list of Top 5 Accessories at the moment as nail design. The rapidly expanding market is paving the way for creativity without limits. Fingertip sensitivity is required here in every sense of the word, because for the ladies its all about attracting attention at any price. First glances generally fall upon manicured hands: not just women but also men are known to cast a critical glance at the outlandish and highly qualitative art of fashionable nail design. This distinctive calendar picks up where the overwhelming success of the first calendar left off with the 12 best concepts once again, and shows off art at the nails of beautiful women in delicate detail. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
