

## We Need to Talk About Kevin tie-in: A Novel

Now a major motion picture by Lynne Ramsay, starring Tilda Swinton and John C. Reilly, Lionel Shriver's resonant story of a mother's unsettling quest to understand her teenage son's deadly violence, her own ambivalence toward motherhood, and the explosive link between them reverberates with the haunting power of high hopes shattered by dark realities. Like Shriver's charged and incisive later novels, including *So Much for That* and *The Post-Birthday World*, *We Need to Talk About Kevin* is a piercing, unforgettable, and penetrating exploration of violence, family ties, and responsibility, a book that the *Boston Globe* describes as sometimes searing...[and] impossible to put down.
